

JOIN WITH CREATION

Written by John and Rachel Kell

Key =

VERSE 1

Come all sing a new song to our Lord
Join with creation to adore
the splendour of Christ the King.
Lightning flashes all around Him
As mountains, they bow down before Him
As all the heavens proclaim

VERSE 2

Great, Great is the Lord,
He is most worthy of praise
So, come lift up your hearts to the
King of all Kings, worship His name.
Splendour and majesty surround Him
The sound of His beauty resounding
throughout the universe.
Voices of thousands of angels exalt
Him as King lay their crowns
down before Him to Jesus the first and the last

CHORUS

Christ, Christ is the Lord,
He is most worthy of praise
So, come lift up your
hearts to the King of all Kings
Worship His name
We join with creation and sing
heavens anthem to Christ the King

BRIDGE

Holy, Holy, Holy is the Lord
