

# AT YOUR FEET

Written by Becky Kell

Key = D

## VERSE 1

**D**  
My stumbling words  
**A G**  
become arrows in Your hands.  
**D**  
Broken melodies,  
**A G**  
become music as I stand and sing to You.

## PRE-CHORUS

**Bm A**  
Your grace is all I need  
**Bm G**  
Your strength is shown when I am weak  
**Bm A G A**  
Your power is in me, You live in me.

## CHORUS

**D A**  
So, take my heart, Lord and take my life,  
**Bm G A**  
to bring glory to Your name.  
**D A**  
Let your strength shine forth in my weakness Lord.  
**Bm G A**  
And let Your power reign.  
**D A**  
As I stand on You and declare  
**Bm G A**  
Your truth, Your power strengthens me.  
**D A**  
So, take my life, take my sacrifice  
**Bm G A D**  
I lay it at Your feet, at Your feet.

## VERSE 2

**D A**  
My simple prayers are weapons  
**G**  
in Your name.  
**D A**  
When doubt and fear feel crippling  
**G**  
Your strength remains the same

## BRIDGE

**D A G A**  
Your grace is all I need  
**D A G A**  
Your strength when I am weak  
**D A G A**  
Your power at work in me  
**D A G**  
As I lay my life down at Your feet
