## VERSE 1

My stumbling words  
become arrows in Your hands.

Broken melodies,  
become music as I stand sing to You.

## PRE-CHORUS

Your grace is all I need  
Your strength is shown when I am weak  
Your power is in me, You live in me.

## CHORUS

So, take my heart and take my life,  
to bring glory to Your name.  
Let your strength shine forth through my weakness Lord.  
And let Your power reign.  
As I stand on You and declare  
Your truth, Your power strengthens me.  
So, take my life, take my sacrifice  
I lay it at Your feet, at Your feet.

## VERSE 2

My simple prayers are weapons  
in Your name.

When doubt and fear feel crippling  
Your strength remains the same

## BRIDGE

Your grace is all I need  
Your strength when I am weak  
Your power at work in me  
As I lay my life down at Your feet
