

FOUND IN YOU

Written by John Kell

Key =

VERSE 1

I choose to praise and fix my eyes
On Father God, unchanging
For His grace has marked my life
And His love has saved me
I will sing with all I have
unto the rock of my salvation
My praise is not through circumstance
But through the hope I've found in You

CHORUS

Jesus, thank You Jesus
that I'm found in the hope of You.
Your cross has spoken, my assurance
I am found in the hope of You

VERSE 2

Through the pain and the heartbreak
May my soul still bless Your name
Trials may come and last a moment
But Your kingdom forever reigns

PRE-CHORUS

Your cross has spoken, my assurance
I am found in the hope of You

BRIDGE

Your cross has spoken, it is finished
Sin is crushed, I am restored
No power of hell can separate us
Once and for all, Christ is my Lord
