

# TAKE YOUR PLACE

*Written by John Kell*

---

## VERSE 1

I stand in awe of Your goodness

Humbled by the sight of who You are.

I long for more of Your presence.

What else could I desire?

## CHORUS

Jesus take Your place as King

Jesus take Your place as King

Jesus take Your place as King

In my life, In my life

## VERSE 2

Thank You Lord that by Your mercy.

You take me just as I am.

Transform me Lord from glory to glory

As I lay it all before You now

## BRIDGE

Above my greatest fear, above my deepest shame

Above my fiercest ambitions, Jesus come take Your place

Above my darkest secrets: the things only You see

I lay them all in surrender. Jesus Christ be my King
