

MIRACLES

Written by Rachel Kell

Key =

VERSE 1

Give us faith to believe, give us eyes to see the need

Give us vision to stand and see the captives freed

Give us hands to reach out, give us voices to speak love out

Break our hearts for Your People Lord and we will see change in this land

CHORUS

We will see miracles,

We will see miracles.

We will see miracles,

We will see miracles.

VERSE 2

The dead will rise, the lame will dance

And the mute will sing Your praise

The deaf will hear, the sick be healed

And the blind will see Your face

For Your Power oh God is alive in us

You bring healing to this land

As You fill us up with Your Spirit Lord

For Your Kingdom send us out
