

GOD BE MY STRENGTH

Written by John Kell

VERSE 1

I come to You here in my brokenness
Humbled by weakness, God be my strength
I wait on You for my heart is weary
But Your hand upholds me, God be my strength

PRE CHORUS 1

I won't be afraid but I'll seek Your face
For You will not forsake me

CHORUS

You are my song and my salvation
Your word declares that
You are my strength
Through every trial and situation
God hear my cry, God be my strength

VERSE 2

I trust in You, God You are for me
You're not against me, God be my strength
I'm strong in You, I can do all things
Through Christ who strengthens me,
God be my strength

PRE CHORUS 2

As I lift my head, I will take courage
For I know You won't fail me.
