I trust, I trust in You, for

**G** **Em** **C** **G**  
When the darkness overshadows and hope seems to fade away

Still I will praise Your name, for God You never fail

## VERSE 2

**G** **Em**  
When the world's burdens suffocate me  
**C** **G**  
And my heart begins to sway  
**G** **Em**  
You don't loosen your grip on me  
**C** **D** **G**  
And God You never fail

## BRIDGE

**Em** **D**  
So, guide me through the desert, Lord lead me through the storm  
**C** **G**  
I long for Your presence, for You're more than enough  
**Em** **D**  
I have this assurance my hope unshakeable  
**C** **G**  
Is only found in Jesus and Lord You never fail.
