

JESUS IS ENOUGH

Written by John Kell

VERSE 1

No other name could pay my penalty

No other name was good enough

No other sacrifice could rescue me

The blood of Jesus is enough

VERSE 2

Only Your presence leaves me satisfied

Only Your promises I trust

Only You Jesus hold the keys to life

Only You Jesus are enough

CHORUS

So, when this world around me fades

Blessings dry up, pain prevails

Still I'll confidently say, 'Jesus is enough'

When these questions fill my heart

Tears and sorrows leave me scarred

Still I'll sing with all my heart

'Jesus is enough'

VERSE 3

If I had all the riches of this world

But you weren't the master of my heart

I would have stored up treasures of no worth

For only Jesus is enough

BRIDGE

Jesus is enough (For my Salvation)

Jesus is enough (For my delight)

Jesus is enough (For my redemption)

Jesus is enough (For all my life)
