

SUPREME

Written by John Kell

VERSE 1

Jesus Christ, perfect image of the unseen God.

The first and last, the uncreated one

Whose majesty draws us

near to come & worship Him

VERSE 2

Jesus Christ, creator & sustainer of the world

The earth's beauty conceived at His word.

Creations purpose is to glorify and worship Him.

So, we come and worship You

CHORUS

For who You are, for what You've done

We just can't contain our worship songs

The first and last, the King of Kings

Yes, we do declare that Christ is supreme

Christ is supreme.

VERSE 3

Jesus Christ,

the perfect and the blameless sacrifice.

Fully human, yet fully divine.

The only way that God could

reconcile us back to Him

BRIDGE

Jesus Christ, to Him is given all authority

Supreme over every living thing.

The power and the glory Lord

are Yours for all eternity.

Yes, You reign for all eternity
