VERSE 1

God who is strong,
strengthens the weak
God who is peace,
calms the storms of my world
God who is King,
is King of the universe.

My God is glorious in all of His ways
My God astounds me
with His wonder and grace
My heart will be still and know You are God

VERSE 2

God who is light, invaded the dark
God who is life, illuminated my heart
God who is good chose death for me
God who is great is risen in His glory

VERSE 3

My God has defeated the enemy
My God forever stands in His victory
My heart will be still and know You are God

BRIDGE

I will be still and know You are God.
I will be still and know You are God.
I will be still and know You are God.
I will be still and know You are God.
